PROFESSIONAL SUMMARY

Passionate Graphic Designer with a strong foundation in visual design and hands-on experience creating engaging digital and print assets using Figma, Adobe Photoshop, Canva, and other design tools. Currently expanding my expertise in UI/UX design by learning user-centred design principles, responsive layouts, wireframing, and modern design practices. Committed to continuously improving my skills, working with advanced design tools, and building intuitive, visually appealing user experiences. Seeking opportunities to grow as a UI/UX and Graphic Designer while contributing creativity, collaboration, and a continuous learning mindset to innovative teams.

CORE SKILLS
